

WIFI TEMPERATURE DATA LOGGER FOR VACCINES TDF-PHM

Features

- external sensors designed to simulate fridge contents temperature
- TD-PHM is available in two options, the TD-PHM-1 with one internal and one external sensor or the TD-PHM-2 that has two external sensors.
- Use your existing Wi-Fi network and router and none of gateways or monthly cloud storage fees
- Switchable °C or °F
- Retrieves and archives data automatically from logger.
- Portable and wall-mounted (Wi-Fi access area)
- Programmable high & low alarms i.e. email, text, and mobile alerts when alarm limits are exceeded.
- TD-PHM WiFi data loggers are a battery powered, cost effective, temperature monitoring system that remotely records storage and transportation temperatures of perishable items such as vaccine, medicines and perishable foodstuffs.

Technical data

Temperature sensor type : Thermistor probe
Temperature range (probe) : -40...+70°C
Temperature range (internal) : 0...50°C (only TD-PHM-1)
Accuracy : ±0.5°C
Resolution : 0.1°C
Sample rate : 6s...330 min.
Wi-Fi radio : 802.11b/g/n (2.4 Ghz)
Units of measurement : °C, °F
Memory capacity : 18,000 reading for 1 ch, 2x9,000 reading for 2 ch
Display : 12 mm LCD/2 LED's
Operating temperature : 0...50°C
Battery type : 2 x 1.5V AA battery
Battery life : 12 months
Data file : Excel and pdf
Cable material : PUR/PVC
Cable range : approx. 2 meters
Dimension : 72.5 x 96 x 29 mm (WxHxD)
Weight : 165g

Ordering code

TD F - PHM

- 1 : 1 channel (internal + probe)
- 2 : 2 channel (2 probes)

Example

TD1F - PHM data logger with **1 probe**

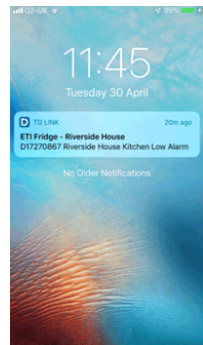

TD2F - PHM data logger with **2 probe**

ACCESSORIES for TD-PHM

These are necessary equipments that using with products and increase efficiency.

Protective silicone boot (830-880)

Protective silicone rubber boot. protects against accidental damage and made from durable silicone

Glycol Solution (816-035) :

Suitable for TD-PHM. Allows simple replacement of glycol. supplied in 50ml plastic bottle. **1 bottle per order**

ABS Wall Bracket (832-590) :

ABS wall bracket for TD-PHM thermometers. allows easy wall placement. Including foot stand, screw thread and hook for alternative mounting

Magnetic Mount (830-800) :

Magnetic Mount for Wall Bracket & Silicone Boot. for easy fixing to fridges, freezers & metallic surfaces.
